Hire Charge Rules

All items hired must be collected and returned by the client, unless collection and delivery has been pre-arranged.

All items hired must be returned cleaned and unmarked in any way. Damage to items will be charged for (please see terms and conditions). Note for florists: Water damage may occur in some items - please line with cellophane where possible, and use minimal pot tape as this will mark the silver finish.

Hire periods run from between 2 and 5 days - longer periods may incur further charges.

A deposit cheque must be left with Bloomingperfect for the amount pre-agreed, and will be returned or destroyed on return of the hired items, in the condition they were hired in.
